**Submission to the Climate Change Authority review of the National Greenhouse and Energy Reporting Legislation**

To whom it may concern,

Thank you for the opportunity to have input into the Authority's review of greenhouse and energy legislation.

ConocoPhillips Australia supports the existing policy and legislative framework for reporting and managing emissions and view the Safeguard Mechanism and associated polices as a broadly appropriate framework through which to meet Australia's climate change commitments.

Further detail is available in previous public submissions to the Government's review of Climate Change Policies (2017) and consultation on safeguard baseline settings (2018).

Should you wish to discuss this submission further please contact Patrick Hastwell (08) 6363 2375 or [Patrick.hastwell@conocophillips.com](mailto:Patrick.hastwell@conocophillips.com) or Fiona McLeod on [Fiona.c.mcleod@conocophillips.com](mailto:Fiona.c.mcleod@conocophillips.com) .
