To whom it may Concern.

It is with sincere pleasure that I welcome the opportunity to comment and support the 'Role of the National Wind Farm Commissioner'.

As a member of the Victorian Farmers Federation Land Management Committee my commendation covers following reports. his pe

- The scope of communication & connectivity to regions and particularly to rural farm communities to ensure that issues and concerns were heard.
- I was very impressed with Commissioner Andrew Dyer presentation to the VFF to ensure that the Land Management Committee and Policy staff under these issues.
- Commend the status of the Office's Annual Report covering complaints, the closures and recommendations.
